Write a rhyme about an imaginary animal like the Kangadillo... it's a cross between a Kangaroo and an Armadillo!

Start by choosing the first half of its name from Column 1 ... then the second half from Column 2 ...

1	2	1	2
Grizz - ly	bear	hippo -	potamus
Kang - a -	roo	buffa -	lo
El - e -	phant	croco -	dile
Chimp - an -	zee	arma -	dillo

Here is a short rhyme about a Kangadillo, made into a song using the notes A, E and D!

## Activities

Write your own 'Imaginary Animal' piece! First, create a rhyme, and write it under the staff. Decide which note you want for each syllable. Then add **stems** and **beams** to the notes to add the right rhythm. Don't forget the **treble clef**, **time signature**, and **bar lines**!
