(Musical notation for 'Winter's Round The Corner' in G major, 4/4 time. The score consists of four staves. The first staff has an asterisk above the 8th measure. The lyrics are: Win - ter's round the cor - ner put your jum - per on. doh doh doh doh ray ray me me me me fah. The second staff: Ga - ther round the fire - side, sing a cheer - ful song. soh soh soh soh lah lah te te te te doh. The third staff: Snow - flakes soft - ly fal - ling, win - ter's all a - round, doh doh doh doh te te lah lah lah lah soh. The fourth staff: swirl - ing in the breeze then flut - ter to the ground. fah fah fah fah me me ray ray ray ray doh.)

Activities

- 1) **Sing** note names going up and down the scale pattern above
- 2) **Sing** the words
- 3) **Sing** solfa names (see ladder image)
- 4) The solfa system is a great way to understand tones and semitones.
Look at the spaces on the ladder and notice that *me* and *fah* and the *te* and top *doh* are always a semitone apart.
- 5) **Play** through the piece
- 6) Now **play** the piece as a round. The second person starts when the first person reaches the asterisk. The first player to reach the end of bar 4 should add two bars rest before continuing with bar 5.

Solfa
doh ray me fah
soh lah te doh
