

G MAJOR SCALE - GAPS FILLED IN!

All the missing notes and letter names have been filled in for the ascending and descending G major scale.

The image displays four musical staves, each representing a different octave of the G major scale. Each staff has a treble clef and a key signature of one sharp (F#). The notes are represented by black dots on the staff lines, and the letter names are shown in hexagonal boxes below each note. Arrows indicate the direction of the scale: brown arrows for the first staff (ascending), purple arrows for the second staff (descending), red arrows for the third staff (ascending), and green arrows for the fourth staff (descending).
