## THE STAVE

The stave (or 'staff' in American!) is made up of five horizontal lines.

This is where we place the musical notes - on the lines, and in the spaces between the lines - so that we know which ones to play!

 $\dots$  the higher up the stave we go, the higher in pitch the notes sound  $\dots$ 

 $\dots$  the lower down the stave we go, the lower in pitch the notes sound  $\dots$
