Activities

- 1) **Check** the finger patterns for both Menuets before you play.
- 2) **Clap** bars 14 and 15, and **say** the rhythm "slow, slow, slow-er quick, slow-er quick".
The tied F notes add up to the same duration as the dotted crotchet!
- 3) **Play** through each Menuet with the dynamics and the repeats. When you finish Menuet 2, remember to play Menuet 1 again! (Da Capo al Fine)
