

Jungle Footprints

The First Finger

Use a whole bow for each crotchet beat in this exciting piece!

Make a big circle with your bow!

With caution

4

mf

Jun - gle foot - prints hug the ground. ssh!

7

Jun - gle foot - prints make no sound. ssh! Jun - gle foot - prints

10

fat and round. ssh! Jun - gle foot - prints home - ward bound. ssh!

13

f Look and list - en while you're walk - ing. *p* Look be - hind you, no more talk - ing.

17

f > *ff* >

Fol - low all the foot - prints through the jun - gle now. Aagh!

scream

An **Accent** symbol (>) means that you should emphasise the beginning of the note, so that it's a bit louder and heavier than normal!

Activities

1. **Sing** the words and **walk** in time with the music. Then **sing** the note names.
2. **Play** through once without dynamics. Make sure your bow stroke is even and smooth until you reach the accents at the end!
