# Boney Stegosaurus

Short, Spikey Notes

GDAE

Stegosaurus was one of the spikiest dinosaurs to roam the earth! Make the piece sound short and jumpy, by using staccato and 'col legno' bow strokes!

11: B12 Bony Stegosaurus

Activities

1) **Answer** these questions: Which key is this piece in? What is the symbol on the final beat of the piece?
2) **Practise** the 'col legno' bow stroke, by bouncing the wood of the bow on your violin strings.
3) **Repeat** bars 7 and 8 several times. Make a clear difference between the *staccato* (shorter) and *tenuto* (longer) strokes.
